(cc) Notify the commissioner that the local government permittee no longer meets the criteria of the financial test and that alternate assurance has been obtained.

(FF) The commissioner, based on a reasonable belief that the local government permittee may no longer meet the requirements of the local government financial test, may require additional reports of financial condition from the local government permittee at any time. If the commissioner finds, on the basis of the reports or other information, that the local government permittee no longer meets the requirements of the local government financial test, the local government permittee shall provide alternate financial assurance in accordance with this rule.

(GG) The commissioner may disallow use of this test on the basis of qualifications in the opinion expressed in the state board of accounts' annual financial audit of the local government permittee. An adverse opinion or a disclaimer of opinion is cause for disallowance. Other qualifications may be cause for disallowance if, in the opinion of the commissioner, the qualifications indicate the local government permittee does not meet the requirements of this subdivision. The local government permittee shall choose an alternate financial responsibility mechanism within ninety (90) days after notification of the disallowance.

(C) The local government permittee shall complete the calculation of costs to be assured. The portion of the closure, post-closure, and corrective action costs for which a local government permittee can assure under this subdivision is determined as follows:

(i) If the local government permittee does not assure other environmental obligations through a financial test, the local government permittee may assure closure, post-closure, and corrective action costs that equal up to forty-three percent (43%) of the local government permittee's total annual revenue.

(ii) If the local government permittee assures other environmental obligations through a financial test, including those associated with:

(AA) underground injection control (UIC) facilities under 40 CFR 144.62;

(BB) petroleum underground storage tank facilities under [329 IAC 9-8](#);

(CC) polychlorinated biphenyls (PCB) storage facilities under 40 CFR 761; and

(DD) hazardous waste treatment, storage, and disposal facilities under [329 IAC 3.1-14](#) or [329 IAC 3.1-15](#);

the local government permittee shall add those costs to the closure, post-closure, and corrective action costs the local government permittee seeks to assure under this subdivision. The total that may be assured must not exceed forty-three percent (43%) of the local government permittee's total annual revenue.

(iii) The local government permittee shall obtain an alternate financial assurance instrument for those costs that exceed the limits set in this clause.

(7) The local government guarantee option, including the following:

(A) A permittee may demonstrate financial assurance for closure, post-closure, and corrective action, as required by sections 2, 3, and 10 of this rule, ~~by obtaining as follows:~~

(i) Obtain a written guarantee provided by a local government.

(ii) Submit an original signed copy and a duplicate of the written guarantee to the commissioner.

(B) The guarantor shall meet the requirements of the local government financial test in subdivision (6) and shall comply with the terms of a written guarantee as follows:

(i) The guarantee must be effective:

(AA) before the initial receipt of waste or at the time of the next required local government financial test annual submittal, whichever is later, in the case of closure and post-closure care; or

(BB) not later than one hundred twenty (120) days after the corrective action remedy has been selected in accordance with the requirements of [329 IAC 10-21-13](#).

(ii) The guarantee must provide the following:

(AA) If the permittee fails to perform any combination of closure, post-closure care, or corrective action of a facility covered by the guarantee, the guarantor shall:

(aa) perform or pay a third party to perform any combination of closure, post-closure care, or corrective action as required under this subitem; or

(bb) establish a fully funded trust fund as specified in subdivision (1) in the name of the permittee.

(BB) The guarantee will remain in force unless the guarantor sends notice of cancellation by certified mail to the permittee and to the commissioner. Cancellation must not occur during the one hundred twenty (120) days beginning on the date of receipt of the notice of cancellation by both the permittee and the commissioner as evidenced by the return receipts.

(CC) If a guarantee is canceled under subitem (BB), the permittee shall, within ninety (90) days following receipt of the cancellation notice by the permittee and the commissioner, complete the following:

(aa) Obtain alternate financial assurance under this rule.

- (bb) Place evidence of that alternate financial assurance in the facility operating record.
 - (cc) Notify the commissioner.
 - (DD) If the permittee fails to provide alternate financial assurance within the ninety (90) day period under subitem (CC), the guarantor shall complete the following:
 - (aa) Provide alternate assurance within one hundred twenty (120) days following the guarantor's notice of cancellation.
 - (bb) Place evidence of the alternate assurance in the facility operating record.
 - (cc) Notify the commissioner.
 - (C) The permittee shall complete the following record keeping and reporting requirements:
 - (i) The permittee shall place a certified copy of the guarantee along with the items required under subdivision (6)(B)(iii) into the facility's operating record:
 - (AA) before the initial receipt of waste or at the time of the next required local government financial test annual submittal, whichever is later, in the case of closure and post-closure care; or
 - (BB) not later than one hundred twenty (120) days after the corrective action remedy has been selected in accordance with [329 IAC 10-21-13](#).
 - (ii) The permittee is no longer required to maintain the items specified in this clause when the permittee:
 - (AA) substitutes alternate financial assurance as specified in this rule; or
 - (BB) is released from the requirements of this rule in accordance with section 6 or 11 of this rule.
 - (iii) If a local government guarantor no longer meets the requirements of subdivision (6), the permittee shall, within ninety (90) days, complete the following:
 - (AA) Obtain alternative assurance.
 - (BB) Place evidence of the alternate assurance in the facility operating record.
 - (CC) Notify the commissioner.
- If the permittee fails to obtain alternate financial assurance within the ninety (90) day period, the guarantor shall provide that alternate assurance within the next thirty (30) days.

(b) Financial responsibility closure cost estimate requirements must be as follows:

(1) For purposes of establishing financial responsibility, the permittee shall have a detailed written estimate of the cost of closing the facility based on the following:

(A) The closure costs derived under:

- (i) [329 IAC 10-22-2\(c\)](#);
- (ii) [329 IAC 10-30-4\(b\)](#); or
- (iii) [329 IAC 10-37-4\(b\)](#).

(B) One (1) of the closure cost estimating standards under subdivision (3).

(2) As used in this section, "establishment of financial responsibility" means submission of financial responsibility to the commissioner in the form of one (1) of the options under subsection (a).

(3) The permittee shall use one (1) of the following closure cost estimating standards:

(A) The entire solid waste land disposal facility closure standard is an amount that equals the estimated total cost of closing the entire solid waste land disposal facility, less an amount representing portions of the solid waste land disposal facility that have been certified for partial closure in accordance with:

- (i) [329 IAC 10-22-3](#);
- (ii) [329 IAC 10-30-5](#); or
- (iii) [329 IAC 10-37-5](#).

(B) The incremental closure standard is an amount that, for any year of operation, equals the total cost of closing the portion of the solid waste land disposal facility dedicated to the current year of solid waste land disposal facility operation, plus all closure amounts from all other partially or completely filled portions of the solid waste land disposal facility from prior years of operation that have not yet been certified for partial closure in accordance with:

- (i) [329 IAC 10-22-3](#);
- (ii) [329 IAC 10-30-5](#); or
- (iii) [329 IAC 10-37-5](#).

(c) Until final closure of the solid waste land disposal facility is certified, the permittee shall annually review and submit to the commissioner the financial closure estimate derived under this section annually not later than June 15. The submittal must also include a copy of the ~~final~~ **existing** contour map of the solid waste land disposal facility that delineates the boundaries of all areas into which waste has been placed as of the annual review and certified by a registered professional engineer or registered land surveyor. In addition, as part of the annual review, the permittee shall revise the closure estimate as follows:

(1) For inflation, using an inflation factor derived from the annual implicit price deflator for gross national product as published by the United States Department of Commerce in its Survey of Current Business. The

inflation factor is the result of dividing the latest published annual deflator by the deflator for the previous year as follows:

(A) The first revision is made by multiplying the original closure cost estimate by the inflation factor. The result is the revised closure cost estimate.

(B) Subsequent revisions are made by multiplying the latest revised closure cost estimate by the latest inflation factor.

(2) For changes in the closure plan, whenever the changes increase the cost of closure.

(d) The permittee may revise the closure cost estimate downward whenever a change in the closure plan decreases the cost of closure or whenever portions of the solid waste land disposal facility have been certified for partial closure under:

(1) [329 IAC 10-22-3](#);

(2) [329 IAC 10-30-5](#); or

(3) [329 IAC 10-37-5](#).

(ii) **Submit an original signed copy and a duplicate of the trust agreement to the commissioner.**

(B) All trust agreements must conform to the requirements detailed in section 2(a)(1)(B) of this rule, with the exception that the term "post-closure" be substituted for the term "closure".

(2) The surety bond option, including the following:

(A) The permittee shall **do as follows**:

(i) Establish a surety bond on:

(i) **(AA)** forms provided by the commissioner; or

~~(B) (C)~~ **(C)** All surety bonds must conform to the requirements detailed in section ~~2(a)(2)(B)~~ **2(a)(2)(C)** through ~~2(a)(2)(E)~~ **2(a)(2)(F)** of this rule, with the exception that the term "post-closure" be substituted for the term "closure".

(3) The letter-of-credit option, including the following:

(A) The permittee shall **do as follows**:

(i) Establish a letter-of-credit on:

(i) **(AA)** forms provided by the commissioner; or

(ii) **(BB)** other forms approved by the commissioner.

(B) All letters of credit must conform to the requirements detailed in section 2(a)(3)(B) through 2(a)(3)(D) of this rule, with the exception that the term "post-closure" be substituted for the term "closure".

(4) The insurance option, including the following:

(A) The permittee shall **do as follows**:

(i) Provide evidence of insurance on:

(i) ~~(i)~~ **(AA)** forms provided by the commissioner; or

~~(ii)~~ **(BB)** other forms approved by the commissioner.

(ii) Submit a certificate of post-closure insurance to the commissioner.

(B) All insurance must conform to the requirements detailed in section 2(a)(4)(B) and 2(a)(4)(C) of this rule, with the exception that the term "post-closure" be substituted for the term "closure".

(5) The financial test for restricted waste sites option, including the following:

(A) This financial test is only available for restricted waste sites.

(B) If a permittee meets the criteria **and conforms to the requirements** set forth in section ~~2(a)(5)(B)~~

2(a)(5)(A) through 2(a)(5)(D) 2(a)(5)(F) or 2(a)(5)(G) of this rule, the permittee shall be deemed to have established financial responsibility.

(6) The local government financial test option, including the following:

(A) This financial test is only available for permittees that are local governments. As used in this subdivision, "local government" means a county, municipality, township, or solid waste management district.

(B) If a permittee meets the criteria set forth in section 2(a)(6)(B) and 2(a)(6)(C) of this rule, the permittee shall be deemed to have established financial responsibility.

(C) If, at any time, the permittee fails to meet the financial test, the permittee shall establish an alternate financial responsibility mechanism within one hundred twenty (120) days after the end of the fiscal year for which the financial data required by this clause shows that the permittee no longer meets the requirements.

(D) The commissioner may disallow use of this test on the basis of qualifications in the opinion expressed in the state board of accounts' annual financial audit of the permittee. An adverse opinion or a disclaimer of opinion is cause for disallowance. Other qualifications may be cause for disallowance if, in the opinion of the commissioner, the qualifications indicate the permittee does not meet the requirements of this subdivision.

The permittee shall choose an alternate financial responsibility mechanism within ninety (90) days after notification of the disallowance.

(7) The local government guarantee option. If the local government guarantor and the permittee meet the requirements of section 2(a)(7)(B) and 2(a)(7)(C) of this rule, the permittee shall be deemed to have established financial responsibility.

(b) The permittee shall choose a financial responsibility mechanism, as provided in subsection (a), that guarantees funds will be available to meet the post-closure requirements of the solid waste land disposal facility, including the following:

(1) As applicable, funding must equal the amount determined under:

(A) [329 IAC 10-23-3\(c\)\(5\)](#) and [329 IAC 10-23-3\(c\)\(6\)](#);

(B) [329 IAC 10-31-3\(b\)\(4\)](#); or

(C) [329 IAC 10-38-3\(b\)\(4\)](#).

(2) Except for the trust fund mechanism, the permittee may completely fund the post-closure care amount, as determined under subdivision (1), based on the following formula and before the placement of any waste in the permitted area that is certified to receive waste:

$$\left[\left(\frac{CA + TR_A}{TP_A} \times PC_{(o)} \right) + PC_{(f)} \right] \times C = PCF$$

Where: CA = Total of existing acres certified to receive waste and acres that received waste previously.

TP_A = Total permitted acres.

TR_A = Total projected acres that will be certified to receive waste within the current annual update year, which is June 15 to June 15.

PC_(f) = Fixed post-closure costs.

PC_(o) = All other post-closure costs but fixed post-closure costs.

C = Contingencies, which equals 1.25.

PCF = Post-closure funding.

Fixed costs include semiannual inspections and reports, access control and benchmark maintenance, ground

water monitoring and well maintenance, and methane gas monitoring and maintenance.

(3) For only the trust fund mechanism, funding may also be accomplished by making annual payments equal to the amount determined by the formula:

$$\text{Next Payment} = \frac{CE - CV}{Y}$$

Where: CE = The current total post-closure cost estimate as determined by subdivision (1).
 CV = The current value of the trust fund.
 Y = The number of years in the term of the original permit, which is five (5) years or less, or over the remaining life of the solid waste land disposal facility, whichever is shorter.

Annual funding must be accomplished not later than June 15 of each year.

(c) The permittee shall submit an annual update for the amount calculated under subsection (b) for inflation and for changes in the post-closure plan ~~which that~~ increase the costs of post-closure, not later than June 15 of each year to the commissioner ~~regarding post-closure financial assurance~~ **during the active life of the landfill and until final-closure post-closure certification is deemed adequate. The permittee shall do the following:**

(1) During the active life of the facility and until post-closure certification is deemed adequate, the permittee shall adjust the post-closure cost estimate for inflation prior to June 15 of each year. The adjustment for inflation shall be done with either of the following methods:

(A) Recalculating the post-closure cost estimate in current dollars.

(B) Using an inflation factor derived from the most recent implicit price deflator for gross national product published by the U.S. Department of Commerce in its Survey of Current Business, specified as follows:

(i) The first adjustment is made by multiplying the post-closure cost estimate as specified in subsection (b) by the inflation factor, with the result being the adjusted post-closure cost estimate.

(ii) Subsequent adjustments are made by multiplying the latest adjusted post-closure cost estimate by the latest inflation factor.

(2) During the active life of the facility, the permittee shall revise the post-closure cost estimate not later than thirty (30) days after the commissioner has approved the request to modify the post-closure plan, if the change in the post-closure plan increases the cost of post-closure care. The revised post-closure cost estimate must be adjusted for inflation as specified in subdivision (1).

(3) For permittees using the financial test or guarantee, the post-closure care cost estimate must be updated for inflation annually before June 15 of each year.

(d) If the formula in subsection (b)(2) is used, the permittee shall itemize separately both the fixed costs and all other costs.

(1) Payments into the trust fund must be made annually by the ~~owner, operator, or~~ permittee over half of the estimated length of the corrective action program in the case of corrective action for known releases. This period is referred to as the pay-in period. For a trust fund used to demonstrate financial assurance for corrective action, the first payment into the trust fund must be at least equal to one-half (1/2) of the current cost estimate for corrective action divided by the number of years in the corrective action pay-in period. The amount of subsequent payments must be determined by the following formula:

$$\text{Next Payment} = \frac{\text{RB} - \text{CV}}{\text{Y}}$$

Where: RB = the most recent estimate of the required trust fund balance for corrective action (that is, the total costs that will be incurred during the second half of the corrective action period)
 CV = the current value of the trust fund
 Y = the number of years remaining in the pay-in period

The initial payment into the trust fund must be made no later than one hundred twenty (120) days after the corrective action remedy has been selected in accordance with [329 IAC 10-21-13](#).

The corrective action cost estimate must account for the total costs of corrective action activities as described in the corrective action plan for the entire corrective action period. The ~~owner, operator, or~~ permittee shall notify the commissioner that the estimate has been placed in the operating record. The ~~owner, operator, or~~ permittee shall do the following:

(1) Annually adjust the estimate for inflation until the corrective action program is completed in accordance with [329 IAC 10-21-13](#).

(2) Increase the corrective action cost estimate and the amount of financial assurance provided under subsections (a) and (b) if changes in the corrective action program or MSWLF conditions increase the maximum costs of corrective action.
